Dear Sylvia: 1:30am

I do hope you're bearing up under your multifaceted activities; I seem to be sinking into lassitude. Please accept the enclosed $\text{\textcircled{X}}$ with my gratitude (I won it on the office pool re the Carswell Senate vote).

I'm sure you're aware of the Skolnick/Archives litigation which the Times took notice of the other day.

Please don't cross me off your phone network.

Best Wishes,
