Dear Sylvia:

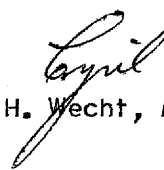

Thank you for sending me a copy of the article that you recently prepared for "The Texas Observer". As usual, you have made your point in a most authoritative and effective manner.

Is there anything happening on the national scene that gives us any reason to be optimistic about the future?

I know that Harold Weisberg and Dr. John Nichols are contemplating suits against the government under the FREEDOM OF INFORMATION ACT. I wonder if either will meet with any success.

With kindest regards.

Sincerely,

Cyril H. Wecht, M.D., J.D.
