

15 June 1970

Mr. Paris Flammonde  
285 West 12 Street  
New York 10014

Dear Paris,

The enclosed letter is almost certainly a crank communication, despite its seeming coherence. I checked with "information" at Elmira and there was no listing for a "Town Mission" at the address given. Nevertheless, I thought a second person should see the letter. What do you think? Perhaps it should be forwarded to Bud Fensterwald?

Regards,

Sincerely,

(See reverse side)
