Dear Tom —

Envelope arrived safely — Thanks.

Re LOOK article, who would expect  
letter from LOOK ??

Re "review of 1967" and Forman  
monographs — I will see if I  
have them among my papers at  
home. I think I do. If so, you  
can borrow them next time. Or I'll  
mail them.

Re Japan, see JH 283 and/or  
JH 253.

Re Forman's testimony: It was  
not included because, I am told,  
he collapsed into utter confusion  
and ineptitude, when his expertise  
was challenged by the Gov't. lawyers.

Hurriedly,

Aylan
