Dear Sylvia -

Got this up in Dallas - Mom  
broke her hip Oct. 2 - much delay  
in everything. She is doing well  
for 84. Have her with me for  
now.

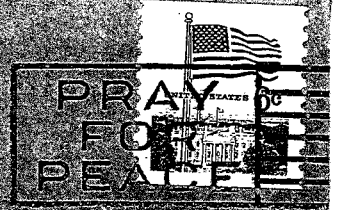

The mess in Mass. is really  
just that. Something about the  
self-seeking of high public power  
is very destructive - for the man  
and the nation.

Have much to do before  
dawn so had better hop. Have  
help with Mother most of week  
but we have been on ~~our~~ our  
today.

Best wishes,

Margaret
