Dear Sylvia - ^{1167 Lytle Lane}
Kerrville, Tex

Although I'm sure
this is old stuff to you,
I find it encouraging
and hope that enough
pressure can be brought
about to force the
release of every jot
of dye wherever it
may be. Only then can
we get at the facts
and bring the guilty to
the dock.

This is our "busy season"
in Child Welfare - the cold
weather (not Christmas) is
very hard on the poor. Also
have to move my Mother this

week from her split-level
to a ground level home. She
takes a very dim view of
the whole thing - hates to
leave her casa of 28+
years of course. So have
much to do —

Best wishes,
Sincerely,

Maryann
