Dear Dr Coigney,

Now that the General Assembly has completed its session, I would like to express to you my appreciation for the most comprehensive, clear and timely reports on the administrative, financial and personnel aspects of the work of the General Assembly and the Fifth Committee which you have been sending to Headquarters during the last few months.

Thanks to your reports I find that I am better informed on what goes on in New York than anyone among my colleagues in other organizations in Geneva, and I am certain that our Liaison Office provides better coverage of the UN and its work than the corresponding offices of the other organizations. I would be grateful if you would express my appreciation also to Mrs Meagher who I think has in fact prepared most of the reports on the Fifth Committee in which I was interested and whose reporting abilities are really outstanding.

With best wishes for the New Year.

Sincerely,

A handwritten signature in black ink, appearing to read 'W. Furth'.
