6:30 - 8:30 pm

Tuesday

Visit from Ned Crosby - RB pounds \$4.00 -
offered pay 1/2 (!!) - typical of heir
to a huge fortune -

Jim to keep it confidential but he had
just 2-hr talk in DC that am
to Frank Markiewicz, after giving
\$500 for McGovern campaign.
FM said, don't have to convince him
re LHO = govt agency because read
Jim article on LHO = State Dept.
Also ready believe LHO knew ~~Shaw~~
Clay Shaw in N Orleans & takes seriously
the allegations of the peddler of Sirhan
conspiracy information. Offered letter
of intro. Crosby to Burke Marshall,
Jim told Crosby re CD's on
second LHO (which FM also ready
credit after Popkin book) & Ruby mounts
