Dear Turk —

It was a joy to see you again. Please try to return more often!

Last night I read your reader's report on Poffman's book. I found it positive and certainly fair and in some ways generous (over-generous, where I am concerned — steel trap, indeed! More like a sieve).

Also, I have arranged with my friend Pabel Davis for her to mail you William Thompson's book (The Edge of History) instead of returning it to me first. No rush about sending back to me, so long as I do get it eventually, to re-read.

I'll phone you as soon as there is any news re: Wecht and the photos & X-Rays.

Meanwhile, friends (I do agree with you, in case I did not make it clear).

Lynne
