Mr. Gary Schoener

Dear Mr. Schoener:

Thank you very much for your recent letter of June 3, and the xerox copies of several reports dealing with the death of President Kennedy. It was most thoughtful of you to send these to me, and I am very pleased to have them for my personal files in this matter.

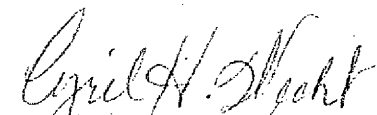

Something may be breaking with regard to the request that I submitted to Burke Marshall last year. If the news is good, I shall let you know once it has been confirmed.

I agree with you that it would be a wise idea to convene a small group of knowledgeable WCR critics prior to reviewing the materials at the National Archives, assuming that I am granted permission to do so. I definitely plan to arrange such a get-together, and I would appreciate any recommendations that you may have in this regard.

I am delighted that we have established this line of communication between us, and I hope that it will continue in the future.

With kind regards.

Sincerely,

Cyril H. Wecht, M.D., J.D.
