 Les Bords de la Creuse aux Rabois.

8/17/72 AM.

Dear Sylvia,

This is a little village we stopped for the night in, we were in Paris until Tuesday and spent part of Tuesday at Versailles before heading south. Except for rain every day of the trip, we've seen growth. But this morning the sun is up & not a cloud in the sky. We're in Toulouse now and should be in Barcelona by this eve. Hope all is well.
 Love, Jerry
