Dear Mr Katz,

Please excuse my delay in replying to your recent undated letter (postmarked 26 October 1972).

I have ceased to be active in the Dallas ~~assassination~~ and have done no work in that field for some time. I have also been quite ill for a good part of this year. I am sorry that I cannot be of help to you and I would be glad if you would omit any references to me in the article you are preparing.

Yours sincerely,
