Dear Mr. Stanton,

Mrs. Sylvia Meagher has asked me to express her appreciation for your letter to her dated 5 June 1973, which has only just reached her, as she is on holiday away from New York City.

She regrets that she is unable to reply now to your letter due to lack of writing facilities at her summer cottage as well as to the fact that she is presently engaged in a number of projects which demand her full attention, and she will try to write to you later on.

Again, she was very pleased to read your kind words about her book.

Very truly yours,

A handwritten signature in cursive script that reads "Margo E. Morse".

M. E. Morse
Secretary to S. Meagher
