RICHARD E. SPRAGUE

Dear Sylvia:

David Belin's new book due to be published Nov 22, 1963 was to be expected, I suppose. However, the New York Times deciding to publish it and the enclosed introduction by Harrison Salisbury, make me very angry. I'm sending a copy of the book to Jerry Policoff with the suggestion that he review it and comment on the Times' infuriating position.

All the best

Dick

P.S. Have you heard about our Nov 23-24 conference in Wash D.C?
Can you come?
