Dear Dick,

Many thanks for sending me the  
Salisbury / Belin tear-sheets. \* Yes,  
it does make the blood boil.  
I have never had any illusions  
about Belin, and whatever hopes  
I had for Salisbury disappeared  
long ago.

Yes, I do know about the  
November 23-24 Conference at  
Georgetown and. Surprise!! I am  
planning to attend.

We will surely see each other  
at that time. Best regards to  
you and Joria,

Sylvia
