Dear Mrs Meagher,

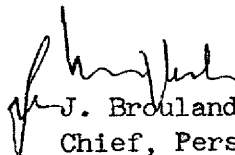

Thank you for your letter of 3 September 1973.

In order to meet your wishes without causing an excessive amount of work, the best solution would be for you to authorize a deduction from your salary to be credited to the Voluntary Fund for Health Promotion. The amount involved for the two-step difference for the period January 1972 to September 1973 is \$1,156.53.

It is now up to you to decide the amount you wish to pay to the fund, either as a one-time payment or in several monthly payments.

With best personal regards,

Yours sincerely,

J. Brouland
