Dear Bob,

Many thanks for having sent me your book on Chappaquiddick. I have not yet found time to read it, mainly because of Watergate and related reading. I wish you every success with your book, which I surmise tends to exonerate Ted Kennedy. If he could be decisively exonerated, he would surely move into the White House at the next election. If you wish to submit the book to Bobbs Merrill, feel free to use my name.

With kind regards and thanks,

Yours sincerely,

Sylvia Meagher
