Dear Sylvia:

I plan to write a brief "Letter to the Editor" of, perhaps, The New York Times and must fall back on you.

Could you tell me when the Warren Commission stopped hearing testimony, stopped considering evidence, closed the copy for the printers of the report, and closed the copy for the printers in the matter of the 26 volumes?

I know this is quite a job but it is rather important to me. Shall look forward to hearing from you.

Sincerely,

John Nichols

P-3 I have written Mr. Belin but he does not seem to know.
