Sylvia Dolores dear-

I don't know if this is the correct form - but I think it makes the point.

Also I picked Mar. 15 as the cut-off date - altho I hope to be able to pay you back before then - because it seemed a safe bet. Just think!

The yellow thistle ~~is~~ begins to come alive ~~of~~ them. And if the yellow thistle comes alive, can the Long Island R.R. be far behind?

Love and love -
Elaine
