Dear Mr. Tatro,

I am genuinely sorry that I cannot help you to obtain a copy of my book. It has been out of print for some time and I have only my personal copies. So far as I know, the book is not available from any source except possibly a public library or a university library.

My article on the testimony of Charles Givens appeared in the Texas Observer of 13 August 1971. I am sending you one of my few remaining copies, together with the rejoinder of David Belin and the editorial on the article. If you can xerox this material, I would be glad to have it back. Otherwise, feel free to keep it.

With regret and best wishes,

Yours sincerely,
