Dear Mrs. Meagher:

Enclosed in this letter is a term paper which I wrote this year at school. I know you are a very busy woman, but if you could take the time to read it and make the necessary corrections it may need I would be very grateful. In any event please return it to me because it is the only copy I have. A friend and myself are putting together a film concerning aspects of the assassination. We would like to interview you at your convenience. I work during the week, but any time after five o'clock I can be reached at: 516:365-8933. If you want me to call you let me know when you return my term paper.

Yours Very Truly,

Harry A. Yardum
