Dear Mrs. Meagher:

We communicated by letter on a couple of occasions in late 1970. I had written to you requesting any info or comments you might have concerning Fred Lee Crisman.

Quite a bit has transpired, of course, since 1970. I hope that you maintain an interest in "assassination-ology", with the objectivity that I admired in your published work. Lord knows if this field needs anything, it's objectivity, and a balance between prudent scepticism and open-minded-ness.

My original reason for writing to you at this time is to ask you three questions: Do you know the identity of "Lincoln Lawrence", author of WERE WE CONTROLLED?? If so, would you tell me his name? If the answer to the first 2 questions is "yes" - how can I reach "Mr. Lawrence"?

Do you have any further knowledge of Fred Lee Crisman? Has any "new" info on him passed your way since 1970? I've enclosed some material on Crisman. I cannot directly vouch for its validity, but I hope you find it of interest.

With best regards,
