Dear Sylvia:

Thought you might be interested in the enclosed photograph and to know that I will re - open my suit for permission to examination artifacts of the assassination of the late John F. Kennedy shortly after the new amendments to the Freedom of Information Act, passed over President Ford's veto, becomes effective on February 19, 1975.

A few nights ago I saw Mr. Al Lowenstein being interviewed by Mr. Tom Snyder on the "Tomorrow" show. Should appreciate if you could place his address on the enclosed envelope and send it on to him.

Sincerely,

  
John Nichols
