Dear Sylvia,

Mark Lane
spoke back to an overblown
crowd.

Interest has never
been greater or media
exposure higher.

I detect little action
from the House of Congress.

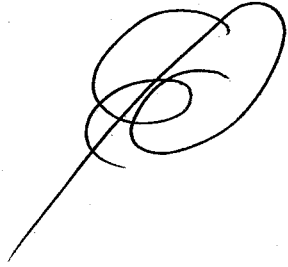

Poking holes in the
W.R. is futile unless
a new public phase
can be launched.

Recent data and
the executive version
transcripts of the W.C.
suggest a much longer
than I surmised.

This is Berlin's definitive
reply to your critique.
Amazing, isn't it?

Hope you are well.

Sincerely,

A stylized, cursive handwritten signature consisting of several overlapping loops and a long, thin tail extending downwards and to the left.
