Dear Ms. Meagher:

In browsing through a bookstore the other day, I was surprised, and overjoyed, to see that your book Accessories After the Fact has finally been re-issued. I can't wait to read it, as I have only heard praise for it.

In my capacity as Chairperson of the Northern New Jersey branch of the Citizen's Commission of Inquiry, I am pleased to ask you if you would be available to give a lecture for us. We are currently based on the Madison, New Jersey campus of Fairleigh Dickinson University and will be able to use their facilities through the first week in May.

Please advise me of your availability, fees, and any other arrangements so that I can clear them with the school Senate and the Student Activities Board.

Thank you.
