

26 April 1976

Dear Tom Dunchee,

Thank you for your endearing letter. I will read "Motorcade - Nov. 22, 1963" with interest and pleasure.

I am not into The Beatles and I never heard of Pink Floyd — but I take it that your comparison of Accessories with their works is a high compliment. I am most appreciative.

With warm good wishes and, again, thanks for your friendly letter.

Sincerely yours,

Sylvia Meagher
