Sylvia Meagher
New York

Dear Sylvia,

It was truly an honor to appear on the same show with you and Harold. I was quite surprised that we appeared together. In fact, as of the time I spoke to Bill Miller on Tuesday, I thought I would be doing a solo for an hour. I wasn't quite prepared for a four-hour endurance test, but to learn that you and Harold were co-guests was indeed a pleasant surprise.

Thank you for your letter. I will raise the matter with my publisher when I next speak to him. Again, I'm sorry about the whole matter.

I've enclosed a couple memos in which I think you'll be interested.

With best wishes,

Howard
