Dear Mrs. Meagher,

I have tried unsuccessfully to obtain a copy of your book entitled Subject Index to the Warren Report and Hearings and Exhibits. I am told it is out of print. I find no local library which has this. Could you please send me any information as to obtaining this.

I understand it you who first brought to light to shortcomings of the testimony of Charles Givens, the man who would change his story for money. However, David Belin did this for him between the original transcript and the printed transcript.

Thank you.

Sincerely,

Scott Burgh
