Book of the Month Club  
Camp Hill, Pa. 17012

Dear Sirs,

It is more than two months since I ordered BLIND AMBITION by John Dean but I have still not received it. I could have purchased a copy by now, at reduced price, at any number of bookshops in this city. I recall that I had the same long wait before I received THE FINAL DAYS. This is very unsatisfactory indeed.

For these reasons, I hereby request you to cancel my membership in your Club.

Yours sincerely,
