MEMORANDUM

TO: BERNARD FENSTERWALD, JR., ESQUIRE, MRS. SYLVIA MEAGHER, AND
PROFESSOR JOSIAH THOMPSON ✓

FROM: CYRIL H. WECHT, M.D., J.D.

I don't know how carefully you read the Sunday New York Times, but I want to make sure that you saw the small article on February 6. Also enclosed is a copy of my Letter to the Editor which I very much doubt they will publish.

Incidentally, since I do not get The Times on a daily basis, I would appreciate one of you sending me a copy of the published letter, should my prediction prove to be wrong.

Do you have any ideas as to how we can pursue this matter further? I would love to find out who their "propaganda assets" are and which specific articles they wrote. It seems to me that this could be a very important item in the reinvestigation efforts of Sprague's Committee.
