Dear Mr. Davidson,

I returned a few days ago from a prolonged trip abroad and found in my accumulated mail your kind memo of March 4th. Yes, I am an old friend of both Isabel Davis and Ted Bloecher, and I have known of your work in the field of UFOs.

I do appreciate your generous offer to send me the new edition of the Air Force report with your chapter on the CIA, etc., as well as your willingness to send me copies of your newsletter on topics related to the assassination. Meanwhile, I will read attentively the material you enclosed with your March 4th memo.

With thanks and all good wishes,

Yours sincerely,
