Thanks-it's really an honor to have you as a subscriber.

A couple things:

By now it's apparent we backed the wrong scrapper in the Sprague/Gonzalez bout; there will be an apology/retraction in the next issue, due out between the 1st and 15th of June. But, as R.B. Cutler said to me, it did "put the ball in the other court".

We also hope to have our production problems ironed out by next time, so we'll have a better looking product.

Thanks again--- jwb
