Dear Sylvia,

Glad to hear that you're a woman of course! The family is fine and it's pleasant among the country folk.

As per the attached, you've become a "Midnight Mariner of sorts."

Some important data has surfaced among the flatiron. The WH/F.B.I./D.N. effort to put out a lone assassin statement before the investigation had even begun appears symbolic of the pro-union methodology of The W.C.

This seems the key to the matter. Perhaps, as Sprague suggests, the House never intended a

various inquiries.

I have never been  
convinced of the authenticity  
of the autopsy material.  
The so-called "old" question  
has never been answered.  
The "new" ones appear  
quite irrelevant at  
this time.

Sincerely,
