Dear Mr. Irwin,

As you may know, I am the author of *Accessories After The Fact* and of the *Subject Index to the Warren Report and the Hearings and Exhibits*.

I have just learned from the May 22 issue of *The Continuing Inquiry* of your work on the JFK assassination and if possible I should like to see your newsletter and your bibliography.

I expect to visit England and possibly Ireland later this summer, arriving in London on the 15th of August to stay at the Chesterfield Hotel on Charles Street. If you should find yourself in London by any chance during the second half of August, I should be pleased to meet you.

Yours sincerely,
