32 Romans dine Grescent Ravenhill

Belfast BT6 ODB September 14,1977 Juli

Dear Sylvia,

Now that the QE2 has safely docked here is a belated letter to thank you for those Dick Russell articles which Chris handed on to me!

Of course it was a big disappointment that our proposed meeting didn<sup>\*</sup>t come off as I was really looking foward to it. You can now appreciate why I'm becoming so reactionary as the B\*\*\*\*y Trade Unions are running this country rather than the elected government. Air Traffic Control staff are still on strike with the resultant chaos.

Apart from that I hope that you managed to have an enjoyable vacation and that you had interesting talks with both Chris and Brian. At least you will appreciate that we are doing a little bit over here to try and waken the media and public opinion. Hopefully we will be getting our views into print in one of the most popular Sunday newspapers within the next couple of weeks and I'll be sure to send you a copy of the result.

I hope that this doesn't develop into another begging letter but can I ask for your assistance regarding a couple of items?

Can you pick up backissues of the following two New York magazines for me, please? If possible I want original complete copies, both for my personal library and for xeroxing and dissemination purposes. Here is a token dollar bill to salve my conscience! It probably won't help all that much towards the cost but here it is. US currency is very scare over here but this one has been lying about for some time.

The magazines are:

LIBERATION - May/June 1977. 339 Lafayette Street. NY 10012-SEVEN DAYS - May 9,1977. 353 Lexington Avenue. NY 10016 (39. 3603 206-5

Of course, if you ever do see continuing Dick Russell articles on the JFK case I'll always appreciate xeroxes of them, if that is at all possible, Sylvia. He is a writer on the subject that I like. Are you aware if his book on the case (CLOSING IN. THE SEARCH FOR JFK'S ASSASSINS) scheduled from the Dial Press is imminent?

I'll look foward to hearing from you on an irregular and informal basis - if time permits! I guess that our meeting will have to wait for my dream trip to the US! Hope springs eternal.....

Over/....

In the meantime I will close with my warm regards and the hope that I haven't been TOO much of a nuisance!

All the best,

P.S. What do you make of your inclusion in the Norman Rockwell satire on P.52 of the recently published THE ASSASSINATION PLEASE ALMANAC by Tom Miller? I'm especially intrigued by your open line to Lee Harvey Oswald ..... i sin
