Dear Ms. Meagher,

I don't know if you've seen this or not,  
but in any case I wanted to send you a copy  
on my own, and to thank you again for your  
help and for your time.

As you see, little of our long (and, to me,  
most informative) conversation got into  
print here; but I'm certain that the notes  
I took will find their way into other work  
I'm doing on the subject, and I thank you  
again.

Best regards,

MARK LIEBERMAN
