Dear Sylvia,

I have just received COINCIDENCE OR CONSPIRACY?

I am most grateful, and for the Committee's generosity in returning my \$5. When one is a pensioner, one notices these small matter.

I am still confident that I have evidence in The Warren Report that Marina Oswald was still loyal to the O.G.P.U. after her marriage. But the proof is only one line in 26 volumes, and thus liely to escape even the most critical eye.----- But when you reach my age, you may concede that in this life more depends on luck than on merit!

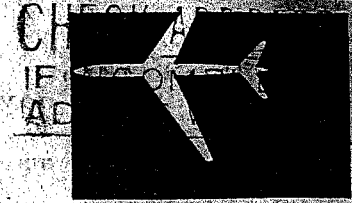

Sincerely yours,

Chris Candler
