Dear Mrs. Meagher,

This is to express my deep appreciation for your letter of April 28 which reached me this morning. I am delighted that a copy of your Subject Index is obtainable from University microfilms, and I have just written there requesting one.

Yes, I am doing personal research on the Warren Report and find it a fascinating subject, but have a long ways to go!

With special thanks for your help, and all good wishes, I am,

Sincerely yours,

Robert Loughborough Jr.
