Mr. Bernard Fensterwald, Jr.
Committee to Investigate Assassinations
2101 L Street N.W. Suite 203
Washington, D. C. 20037

Dear Bud,

The following is an excerpt from a letter I received from
Chris Candler, P. O. Box 66, Glenelg 5045, S. Australia:

On 28 feb 78, I wrote to Bernard Fensterwald at
910 16th Street, N.W. Washington D.C. I enclosed
a cheque for \$5 and asked for a list of any litera-
ture which may be available. But I have received
no reply, and foolishly I did not keep the number
of the banker's cheque so that I cannot even see
if it was cashed.

If you can spare the time to check up with
Fensterwald's office, I shall be most grateful.
I am particularly anxious to view the "Coleman-
Slawson Memorandum".

I hope that you will look into this and reply directly to
Mr. Candler. Incidentally, I do not have the Coleman-Slawson
memorandum myself, or I would gladly send it to him.

With best personal regards and good wishes,

Yours sincerely,

Sylvia Meagher
