Dear Sylvia:

I got your graceful letter of June 15.  
Thanked for it.

As per my personal desire I am enclosing a check for \$100<sup>00</sup>/<sub>100</sub> as a first partial payment for the debt we have incurred with you.

It is my desire to pay back as much and as fast as I feasible - you have priority not only on our feelings of affection and love but also on our economical means - (meaning: creditors).

My life and health continue to be as good as you could observe at Maogery's home.

Leonor's health and happiness,  
continue to be out of depressions and  
relapses. She still misses, mordi-  
narily and loyally, her Marleen  
and Marlina and every second I  
hear her sighing for Marlina "I  
only if she could be here".

Our tenant left 28 Longview  
Court and by now the house is  
empty, unoccupied. But Leonor  
is ready to jump back into the  
old trail.

I hope you read and found good  
reading the article on Israel I sent  
you along with my letter. If there ever  
was a claim to greatness in history  
and to the "Superman" it should belong  
to the people of Israel.

With deep affection.

Jose and Leonor.
