

Bill O'Connell

Sunday, 7 January.

Dear Sylvia:

I waited for the House Committee "rejoinder," (almost buried in the innards of today's L.A. Times) before sending the enclosed press reportage as promised in our telephone conversation.

Talking with you was wonderful! I only hope we can look forward to seeing you "in person" in the not too distant future.

My Sylvia recalls the NPR broadcast on all things Considered* segment substantially as I recalled it. But she could not recall the name of the suspected Knoll gunman whom congressmen had recalled for testimony for a third (?) time.

Best Wishes & Many Thanks
For Your Friendship,

Affectionately,

Bill O'C
