Dear Sylvia-

Here's a clip I thought you'd like to see. Joe Daughen is a long-time sympathetic reporter.

Hoch has informed me of 2 new FBI releases from the New Orleans file - one is pre-annunciation (Hoch's request; about 300 pages) the other is the New Orleans field office file (Hawthorn's request; approximately as large as last year's Dallas field office release). We are sending Bob Knapfel down to the reading room this week or early next to check it out. Hoch will be getting his 300 pages sometime in the next

two weeks by mail from the FBI.

Just wanted you to know. We'll
keep you posted.

Let's talk on the phone thru Jerry,
if you have any questions, next week.

Nothing new from the HSCA.

Cheers—

Jeff
