Dear Researcher:

It is indeed our honor to be sending this statement to a researcher like yourself.

We would like to announce that the Kennedy Assassination Union has now been formed. The union will be a non-profit organization dedicated to objective responsible research into the deaths of President Kennedy, Dr. King and others.

The union was formed out of a basic need, to collectively work together in a responsible organization form.

We had first attempted to join up with the most respected Assassinations research organization in Washington. However, because of their own reasons we were unable to.

It is our aim and objective to conduct an indefinite objective responsible research and investigation into the deaths of President Kennedy, Dr. King and others.

We will not deal with implausible theories, nor speculate about conspiracies and solutions. Our own review of the critical literature and the varied positions of those opposing the Commissions and the House Select Committee findings, persuades us that this approach is the only viable one.

We will not associate ourselves with anyone who makes implausible nor irresponsible statements to the public. Nor anyone who is out to make money off the assassinations.

We will seek the assistance of other researchers like yourself.

We are happy to also announce that Dr. Glenn M. Larkin, M.D. (Forensic Pathology) who served under the respected Dr. Cyril Wecht, has been working with us for the past two years and will continue to serve on our board of advisors.

We are also attempting to build an assassination research library which will be open to the general public free of charge. If you have any information that you might wish to donate to the library, please contact us.

The Kennedy Assassination Union is made up of researchers from all walks of life. This includes law students, medical students, college students, blue collar workers, photo lab people, private investigators and etc.

We will modify our aims and objectives as time goes by. We do hope that we will be hearing from you and if we can be of assistance, do not hesitate to contact us. The Kennedy Assassination Union also has a small office in Charlotte, N.C. The address is 4801 Suite 1101, East Independence Blvd., Charlotte, N.C. 28212, (704) 568-1603. Both Dr. Larkin and myself live in Charlotte, N.C.

Respectfully yours,
