

6/19/79 Call to Jeff Goldhamer re  
Gge Gardner story in Wash Post  
re CIA brechin HSCA safe

Very confusing piece of reporting  
Follow-story today in which  
HSCA slams CIA "investigation"  
as superficial & self-serving.  
Does not buy "curiosity"

Failed 3 lie-detector tests  
Will now give "4" tests to  
CIA supervisors.

Evidence was only copies, not  
originals. Was done during  
reg. office hours. Blahney  
hints someone trying to  
photos public to embarrass  
the HSCA.
