Dear Sylvia - Sign of  
Women's lib - see the girl  
on the steps - when I was  
here (30!) yrs ago: "No  
ladies on the outside!" -  
How it used to annoy me!  
Having a marvellous time -  
thanks chiefly to Ted, who  
is such a helping hand,  
eye, and foot. Will  
call you (to talk you  
blind) when I return. Love  
essahil
