

Dear Aunt Sylvia,

I wanted to send you a letter and tell you just how much I appreciate your generosity. I can't begin to thank you enough for helping me. The car was really a necessity to me or I wouldn't have dreamed to impose on you. I promise that if I get any extra money that you will get your money back sooner, you don't have to worry about your money. I am good for every cent. I can't wait to take you for a ride. If you ever need to be driven anyplace

please don't hesitate to
ask.

Love always,
Ann
