Dear Sylvia--

What a wonderful surprise! Your gift arrived undamaged, and Letha and I loved it immediately. It now hangs prominently in our den, and we ~~we~~ enjoy it every time we walk by it. Thank you so much!

I know we've made plans before, and subsequently changed them; but this year we firmly intend to come to the East Coast on our vacation in September or October, and we'll spend a few days in New York.

I'll phone you within the next few weeks to talk.

Love,  
Ray

P.S. - re your subject index, I rather suspected that your dedication and ability wouldn't let you do nothing re the HASC Report.  
I'll look forward to it.
