Leica Photograph by Gerhard Lenser  
6 June

I guess we won't have that dinner together this month. Had to go suddenly and we're now returning via Hawaii. There's a very happy and very tired little girl asleep on the bed beside me as I write this about a weird trip this has been. Today is all fun and no function -- nothing works! But my plan does.  
Affectionately Tink

This Himalaya Color Photograph is available as Poster 60/85 cm. Order No. 58.578 and send 20 DM to:
