Ms. Sylvia Meagher  
301 W. 12th  
New York N.Y. 10014

Dear Ms. Meagher:

It is good to hear that your index to the Warren Report is being reprinted together with the index to the House Assassination Committee Hearings. Your painstaking scholarship is an inspiration.

Will you be so kind as to inform me who is publishing the above and when this will be published?

With every best wish to you -

*Dorothy Bohn*
