Dear Sylvia--

I thought you might be interested in these two L.A. Times reviews of Sammons' book. Bob Kirsch had long been sympathetic to the critics (I had a couple meetings with him in 1966). This review contains some of his strongest statements yet including the ~~charge~~ charge of medical malpractice

to do their ~~best~~<sup>best</sup> and  
of intelligence  
"disinformation"  
against the critics  
in the media.

This was to be one  
of Kirsch's last reviews.  
He died of cancer  
Aug 16 after a six-  
months illness. He  
will be missed here.

Lethe and I will  
be in NY - Oct 20 24  
at the Empire Hotel.  
We're leaving 2A on  
~~the~~ Oct. 6th, and will  
spend two weeks in  
New England and Montreal

before arriving in  
N.Y. - We're looking  
forward very much  
to visiting with  
you.

Love,

Ray
